 PRIMARY EXAMINER

Examiner's signature, if required

Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant argues that the prior art of record does not teach the invention disclosed in at least claim 1. However, the Examiner submits that the claim, as presented, was properly rejected since it appears that the claim does not necessarily recite the specific limitations argued by the Applicant. Furthermore, the Examiner suggests some specific language that can be used to amend the claim such that the claim can incorporate the specific language as intended by the Applicant and such that the Claim Objections and the 112 Rejection can be addressed.

A handwritten signature in black ink, reading "Tanner San Diego". The signature is written in a cursive, flowing style. The first name "Tanner" is written in a simple cursive, while "San Diego" is more stylized, with the "S" being particularly large and looping.

Art Unit: 3622

Since the above-mentioned reply appears to be *bona fide*, Applicant is herein given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or a complete response reflecting the substance of the said interview in order to avoid abandonment.
